

Maritim Catering

Rheinsubstanz Bad Honnef

Opened in the beginning of 2010, the Rheinsubstanz Bad Honnef has quickly earned itself a reputation as an up-market venue for hosting private parties, concerts and business events. The main facility covers 650 sqm which can be extended through the adjoining gallery. Built inside the hall that used to house Bad Honnef's municipal swimming pool, the comprehensive conversion has resulted in a modern venue with two permanent bars and state-of-the-art audio-visual equipment. The layout lends itself to a diverse range of seating formations, making capacities of up to 500 people possible.
